E-mail: mpilo@iafrica.com

15 January 2009

Professor Robin Offord
Executive Director
Mintaka Foundation
31 Route de Pre-Marais
1233 Bernex Geneva
Switzerland

Dear Professor Offord

There is a terrible need in Africa and other places for a means to empower women and girls to take charge of their own protection against HIV/AIDS. The Mintaka Foundation's innovative approach might at last offer some hope. I wish you every success in your efforts to raise funding to test these ideas and urge any person or institution that has the means to do so to come to your assistance.

God bless you
Desmond
